

Turks & Caicos:

February 11-18, 2012

THE RESORT

Far from the beaten track, yet only 75 minutes from Miami, lies the stunning Turks & Caicos, an island chain endowed with remarkable natural beauty and a gentle, laid-back soul. Beaches Turks & Caicos Resort & Spa embodies the very best of this exotic idyll offering you a prime spot on 12 miles of pristine, sugar-white sand beach and an endless vista of glorious turquoise water. To visit the Turks & Caicos is to enter a place time has forgotten.

THE ISLAND

For everyone who has ever dreamed of getting away from it all and finding a tropical hideaway far removed from all the hustle, bustle, fuss and muss of modern life, the Turks & Caicos is that rarest of discoveries, a true island escape. Envision 230 miles of sandy white beachfront, gently lapped by some of the clearest, aquamarine seas in the entire universe. With 40 islands to explore in this exquisite chain, only 8 of them inhabited by anything other than wildlife, you can really leave your mark by creating footprints in the otherwise untouched sand. Revel in the warmth of the sun, stake out your own palm tree, discover new shades of turquoise as you gaze your fill at the ever shimmering waters, close your eyes and let the cool sea breezes caress you and embrace the state of complete relaxation you've been seeking for so long.

THE DIVING

Whether you are a seasoned diver who has logged hundreds of hours under the ocean's waves or a beginner poised to dip your toes into the marvels of the undersea universe, the Turks & Caicos provides some of the most spectacular diving on the planet. The waters off the island chain boast 1,000 square miles of reefs and some of the most impressive walls of coral in the Caribbean, not to mention historic wrecks dated among the oldest in the Western Hemisphere. No surprise, then, that Scuba Diving Magazine has rated the Turks & Caicos one of the top 5 diving destinations in the entire world! So, when you're ready to experience the unparalleled mysteries of the seafloor for yourself and claim a first row seat from which to watch the antics of whales, spotted Eagle Rays, Manta Rays and a whole ecosystem of thriving marine life, there is literally no place better than the Turks & Caicos Islands. Certified divers can plunge right in with unlimited dives daily, from our top-of-the-line, purpose-built boats, and explore some of the most beautiful waters on the planet.
